
Curriculum Vitae

Biography

Lloyd Helen is an architectural designer based in London, UK. At FBM Architects, he is leading on university projects for the University of East Anglia and on the delivery of Phase 1 of a residential masterplan for Be First in the London Borough of Barking. Before relocating to the UK, Lloyd previously worked with renowned architecture firms in China, Germany, the USA, and in his native Ireland. Alongside his work in practice, Lloyd operates as a freelance design consultant for a range of clients including a property technology company in New York and a television production studio in Dublin. He is a registered Architect in the UK, a Fellow of the Urban Design Forum, and a contributing author for Architecture Ireland.
